

Professional Development Workshop Fall 2026

Saturday, October 17, 2026 9:00 AM – 3:00 PM

Aquatic WILD Educator Workshop

Elm Fork Education Center and Project WILD invites you to explore and share the fascinating world of aquatic wildlife and ecosystems using fun, hands-on educational activities. You will experience engaging TEKS-aligned activities while networking with other educators.

Workshop participants receive:

- 6 hours TEA-approved CPE and TEEAC Credit
- Aquatic WILD K-12 guide
- Texas-specific resources

Please dress for indoor and outdoor learning. Bring a sack lunch and a refillable water bottle. Snacks and beverages are provided.

\$35 pre-registration is required. Registration deadline 10/1/26.

To register for this workshop, see <https://tpwd.texas.gov/calendar/education/wild/aquatic-wild-workshop-elm-fork>

Monday, November 23, 2026 9:00 AM – 3:00 PM

Project WET Educator Workshop featuring both the Foundations of Water Education and the *NEW* People & Water curriculum guides. Hybrid presentation with 1 hour of pre-workshop virtual activities and 6 hours of hands-on play and practice on how to use the materials in your education setting.

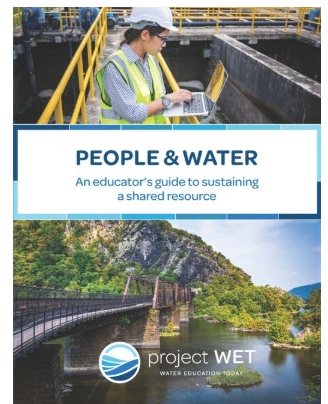

Workshop participants receive:

- 7 hours TEA-approved CPE and TEEAC Credit
- Project WET Foundations of Water Education and People & Water guide
- Texas-specific resources

Please dress for indoor and outdoor learning. Bring a sack lunch and a refillable water bottle. Snacks and beverages are provided.

\$50 pre-registration is required. Registration deadline is 11/9/26.
