

UNT College of Science - Salaried Graduate Student Compensation Plan

GRA Level Qualifications

Academic Progression Level 1:

Master's or doctoral students without experience in a graduate degree program and with less than 18 credits toward a graduate degree.

Academic Progression Level 2:

Master's or doctoral students with at least 18 credits toward a graduate degree. This is the entry level for doctoral students with an earned master's degree.

Academic Progression Level 3:

Doctoral students who have completed all coursework, have passed all their qualifying examinations, and are in good academic standing. Exceptions must be approved by the

*PI's are encouraged to use level 2 rates or higher
Maximum effort for GRA is 50% of base salary*

Annual Compensation at 100% (for GRAMS Budgets)

COLL/SCH	DEPT	College L1-L2 Min	RA L1-L2 Median	RA L2 Max		College L3 Min	RA L3 Median	RA L3 Max
COS	Biological Sciences	\$ 51,264.00	\$ 75,857.28	\$ 107,349.36		\$ 57,312.00	\$ 87,235.92	\$ 123,451.68
